MCAS Tutoring Program

The **MCAS Tutoring Program** has begun. Students are tutored in English Language Arts, mathematics, or science. Students who have not yet passed the MCAS should attend this program. Tutoring takes place Monday to Thursday from 7:00 to 7:45 a.m. in the cafeteria and from 2:55 to 3:45 p.m. in rooms G-2 (English), 216 & 222 (math), and in 118A (biology). Students should see Mr. O’Roark in room G5 to register for this program.

Gear Up

Gear Up is a program designed to encourage young people to have high expectations, stay in school, study hard and take the right courses to go on to college. Academic tutoring is available to program participants, along with SAT preparation, mentoring, college visits, and assistance with college and financial aid applications. Interested students should apply by contacting Lisa Pisano or Mariela Agosta in the Library.
