2019 Holyoke Public Library Children’s Summer Programs

**Independent Summer Reading Program**
Children can sign-up to receive a reading log at the start of our Annual Summer Programs to keep track of the time they spend reading, or being read to. Every Friday from July 5th until August 2nd children can bring in their completed reading log to receive a small weekly prize.

**Craft Days** - July 1, 8, 15, 22 and 29 from 10am-12pm
Supplies are limited, so please **register in advance for each class**.

**Story Times** – July 2, 16, 23, 30 at 2:00pm
Children of all ages are invited to hear several stories and play games.

**STEM Activities** – July 11, 18, 25 and August 1 from 2pm-3pm
Join us for an hour of educational fun with games related to (S)cience, (T)echnology, (E)ngineering and (M)ath.

**Ice-Bird Magic Show** – July 3rd at 1:00pm
The Incredible Jonathan “Ice-Bird” Nelson returns to dazzle both young and old with his signature brand of magic.

**STARLAB: The Portable Planetarium** – Two shows on July 9th
1:00-1:25pm / 1:30-2:15pm
Come and learn about our solar system inside a portable planetarium. There will be two shows: The 1:00-1:25pm show will be for children from pre-k to second grade, while the 1:30-2:15pm show will be for grades three, four and five. **Registration is required**.

**Moon Crazy** – July 17th at 1:00pm
Put on your imagination caps and blast off with Jackson Gillman on his lunar adventures. Captivating songs and stories, including Frank Asch’s Happy Birthday Moon, to take you far away and pilot you happily home.

**Reading Buddies** – July 20th at 11:00am
Come for a read aloud and make your own alien stuffed animal to take home.

**Reservations are required along with a non-refundable $7.00 fee per participant.**

**Sciencetellers** – July 31st at 1:00pm
Due to high demand, Sciencetellers return to present Aliens: Escape from Earth. Don’t miss this action-packed and educational alien adventure using science experiments for special effects. It’s totally out of this world!
